

# CONGRATULATIONS: NEW JV BY PTL GROUP AND JOHN BRYCE TRAINING

PTLGROUP

Shanghai, March 2<sup>nd</sup>, 2009.

A joint investment by **PTL Group** and **John Bryce Training** to establish John Bryce Training Asia. John Bryce Training (JBT) is the training division of leading Israeli IT company, **Matrix**.

JBT provides its loyal customers with comprehensive technology education, system integration, and knowledge assimilation solutions. With more than 400 instructors, headquarters in Israel and dynamic subsidiaries in Germany, Hungary and Turkey, JBT serves many major corporations and organizations in Europe, Asia, and the USA, including many of the world's largest corporations.

JBT is the certified training center for the world's leading hardware, software and communications vendors, including: Oracle, Sun, IBM, Microsoft, Cisco, HP, CA, Checkpoint, BEA, RedHat, Business Object, Symantec, Verity, Mercury and BMC.

JBT was awarded the CTEC "Partner of the Year Award", presented by Microsoft, in both the European and Middle Eastern categories.

JBT's first China branch opened in July 2007. It is a partnership with PTL Group that obtains and supports sales activities, Human Resources, finance management, local training facilities operations and relevant licenses
